Trial Date: n/a

Action Filed: October 12, 2012

On March 9, 2015, the Court granted Defendants' unopposed motion for a protective order. (ECF No. 63.) The Order stated: "Discovery shall be limited at this time to the issue of the exhaustion of administrative remedies." (*Id.*) Defendants have moved for partial summary judgment on the issue of administrative exhaustion and for dismissal of certain claims. (ECF No. 70.) Even if Defendants' motion is granted, however, certain claims and defendants will remain.

Accordingly, the parties hereby stipulate to modify the protective order to allow written discovery under the applicable Federal Rules of Civil Procedure and any applicable local rules or court orders, limited to the issues of retaliation and excluding Defendant Spearman.
